

2024 OKANOGAN & FERRY COUNTY ORV GUIDE

A SPECIAL PUBLICATION TO THE OMAK-OKANOGAN COUNTY CHRONICLE

DISCOVER PASSES

A Discover Pass is required to access lands managed by Washington State Parks & Recreation, Washington Department of Natural Resources and Washington Department of Fish and Wildlife. This includes all State Parks, WDFW water access sites and wildlife-viewing areas and DNR-managed trails/trailheads and recreational camping sites. For more information please go to the Discover Pass Frequently Asked Questions at <http://discoverpass.wa.gov/faq/> the Discover Pass Home Page at <http://discoverpass.wa.gov/>. Information is being updated weekly.

NOXIOUS WEEDS

Outdoor recreationists who travel on remote roads to trailheads or who ride ATVs off roads or designated trails may be unknowingly spreading weeds with their vehicles. Recreationalists can help control noxious weeds to stop them from spreading.

- ♦ Drive only on roads and trails away from noxious weed infested areas
- ♦ Vehicles can carry noxious weeds from one area to another. Make sure to carefully clean ATVs, vehicles and trailers before taking them to a new area. Even a few seeds can spread noxious weeds to new areas.
- ♦ Remove weed seeds from dogs, hiking boots and other gear.
- ♦ Report weed infestations to Okanogan County Noxious Weed Board, 509-422-7168.
